

## ADDITIONAL INFORMATION

### 1. WIRING:

Renters must have an electrical plug for tail lights - brake lights - left and right turn signals & electric brake control if required.

### 2. HITCHES:

We install hitches. We require appointments for installations. Some equalization hitches are available at \$40.00 per rental.

### 3. HITCH BALL:

Size as required by rental unit, mostly 2" or 2 5/16" ball - can be purchased here. Hitch required is 17" to 18" from top of ball to ground. Trailer ball and ball mount \$10.00 per rental.

### 4. MIRRORS:

Car fender mirrors are available at cost of \$10.00 per rental.

### 5. BRAKES:

The law requires electric brake control when the trailer weighs more than 3000 lbs. It is the renter's decision and responsibility to have electric brakes on the towing vehicle. We rent or sell brake controls. Rental is \$20.00 plus installation.

### 6. CAMPERS:

Side pocket mounts are supplied free-of-charge. All campers are installed and unloaded with a hydraulic camper loader.

Trucks requiring an under bell bar will be charged \$30.00 per belly bar which includes installation, rent and take off.

### 7. REPAIRS:

Mechanical repairs to be reimbursed upon proof of repairs and defective parts returned. All repairs over \$50.00 to receive prior approval by phone call to lessor. In event of breakdown, we are not responsible for hotel costs or car rentals. Our liability is limited to refund of rental charges for any nights total loss of rental unit.

8. **Courtenay Car Centre Ltd.** will not be held responsible for loss of fridge & furnace-lights, etc. for low or dead auxiliary battery if you are not plugged into a 110 volt electrical campsite hook up.
